BACK TO SCHOOL

THE NEED

Imagine missing school because you don't have a backpack or even a pair of shoes. For many children experiencing homelessness and poverty in America, they don't need to imagine. They are forced to skip school, unable to participate in sports and playground activities, and face health risks because of inadequate shoes, food, or school supplies.

HOW TO DO IT:

This program is a great way for your parish to help out children in need in your own city.

- Appoint someone from the church to lead the project. Have them contact FOCUS with how many backpacks you think your parish can fill and donate local school children.
- FOCUS will send you the backpacks you ordered (i.e. 25, 50, 100, 200). In each backpack are two items:
 1. A packing list of school supplies for Elementary, Middle, or High School students.
 2. A preaddressed envelope to FOCUS to send in the cost of the bag. **We ask for a \$10 to cover each bag.**
- Have parishioners take the backpacks home, and fill them with the supplies on packing list. Parishioners will then bring the full bags back to church. The project leader will mail the \$10.00 donation for each backpack in the preaddressed envelope provided.
- FOCUS works with school districts all over the country. We will connect the project leader with a local school worker who works directly with disadvantaged children. Once a time and location has been set, the project leader will be responsible to collect all the bags and take them to the school. Thank you for working for the children in your community!
