### **Announcement: Appointment of FOCUS Center Director**

July 24, 2018

FOCUS North America is pleased to announce the appointment of Fr. Seraphim Moslener as Director of the FOCUS Center for West Central Pennsylvania (WCPA), effective immediately. Fr Seraphim is the Priest at St. John the Evangelist Orthodox Church and has served the community for many years in various capacities. He previously served in the capacity of Center Director for this area and will resume the role of leading service efforts to those in need, working with local volunteers and organizations and Eastern Orthodox Christian parishes to provide food and care for people in need. Among the programs of service to people in need of assistance are weekend meal packs to students, a monthly meal served to the hungry and a food pantry. Along with Fr. Seraphim, the WCPA FOCUS Center volunteers and the Advisory Board and community members have distinguished themselves by their service to those in need and will continue to seek ways to expand its services.

FOCUS North America is a national movement of Orthodox Christians, united in faith and joined by a desire to provide action-oriented and sustainable solutions to poverty in communities across America. FOCUS has operations and youth volunteer experiences in cities throughout the United States.
